

QUALITY POLICY

The policy of MJ Solpac Limited is to provide excellent customer service through the design, manufacture, and supply of re-usable packaging.

- **Supporting customers through the development of packaging solutions, providing innovative designs**
- **Providing a high standard of manufacturing processes resulting in excellent product quality**
- **Providing a delivery service that meets or exceeds customer expectations**
- **Supporting customers with Repair and Maintenance service**

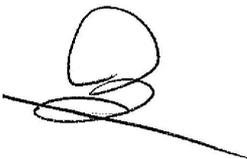

We operate systems that meet the requirements of ISO9001, retaining external approval to this standard.

We are committed to compliance with customer requirements and applicable legislation.

All staff are aware of the processes operated within the company and are aware of their responsibilities to follow defined procedures and to report any deviation or anomalies.

Staff are encouraged to provide input to the development and improvement of systems.

The Directors establish business objectives which support the implementation of this policy. These objectives are regularly reviewed and revised as necessary in line with our commitment to continual improvement.
